Dear Mr. Preiss:

On August 21, 2002, the Department of Environmental Services (DES) conducted an inspection of TFX Medical (TFX). The purpose of the inspection was to determine TFX's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, TFX was issued Letter of Deficiency No. WMD 02-40 (LOD). Based upon a review of TFX's submittals, DES has determined that your facility has corrected the deficiencies identified in the LOD.

Please be advised that DES will continue to monitor TFX's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Robert Bishop or John J. Duclos, Supervisor of the Hazardous Waste Compliance Section at (603) 271-2942. Thank you for your cooperation.

Sincerely,

Kenneth W. Marschner, Administrator
